FOR IMMEDIATE RELEASE

**Breelan Angel Announces Pre-Sale for the Oct. 2<sup>nd</sup> Release of  
DIAMOND IN A RHINESTONE WORLD  
Debuts Action-packed Lyric Video of Opening Track**

**Baytown, Texas** (August 20, 2015) -- **Breelan Angel** is releasing her newest recording, **DIAMOND IN A RHINESTONE WORLD**, on Friday, October 2, 2015 through MisBhavin' Records. Following the success of her debut album, **DIRTY LITTLE SECRETS**, the new 7-track EP will be available on iTunes, Amazon, Google Play, all major digital retailers, and on Angel's website through INgrooves Music Group and indieExtreme; a pre-order is available now at [iTunes](#), [Amazon](#) and [Google Play](#).

The lyric video of the opening track, "*Rub a Little Dirt On It*" (written by **Angel** with producer *Trent Willmon* and *Tommy Karlas*), features **Angel** enjoying summertime fun with friend and fellow Texas Country artist, *Hunter Hutchinson*, as she sings this lighthearted tune. The video is now on [YouTube](#) and [Facebook](#).

Working with artist and producer *Trent Willmon* (*Cody Johnson, Josh Grider, Curtis Grimes*), **Angel** and team have written and recorded a standout EP that fully defines her classic sound; featuring five co-written songs and two outside cuts, each track is a vivid echo of **Angel's** southern personality and style. Building on a trademark independent spirit and crafty, clever lyrics that are delivered with vocals steeped in country tradition, her talent is on full display as she settles in to capture every moment of life as a twenty-something in song.

"**DIAMOND IN A RHINESTONE WORLD** is such a special project and we are excited to get it out to country music fans," **Angel** exclaimed. "The songs are a reflection of the pivotal time people my age are facing as they start thinking about settling down and making a life for themselves. An unplanned theme of 'diamonds' charts this course and the songs brought to life on this record touch on this and other forward-looking themes in a real and emotional way."

-MORE-

Inspired by *Loretta Lynn, Shania Twain, Reba*, and other strong female artists, **Angel's** fiery nature is ever present as she wields a shotgun on the cover and sings of taking a break from the stresses of life to songs like *"Rub a Little Dirt On It"* and *"Drinkin' Round It."* Known for sending a message to be true to one's self, **Angel** illustrates this notion with the tongue-in-cheek title track, *"Rhinstone World,"* and the demanding *"Coal Digger."* Selections like *"Nothing Cuts Like a Diamond"* and *"Winnebago"* are more longing in nature while aiming straight for the heart.

A native of Baytown, Texas, **Angel's** career launched in 2012 with a radio single (*"It's My Turn"*) followed by opening gigs for *Loretta Lynn, Cody Johnson, Randy Rogers, Aaron Watson, Easton Corbin, Randy Houser*, and more. Releasing five radio singles to national and Texas radio charts to date, her debut album, **DIRTY LITTLE SECRETS**, met with acclaim from critics and fans alike.

Having been "riding the high of it all" and enjoying many positive moments, **Angel's** successes have included: being the first female artist to be signed to the *Bud Light Texas Country Music Sponsorship*; seeing singles *"Halfway To Wasted"* and *"Double Standards"* reach the Top 40 on the *MusicRow Country Breakout* chart while *"Pocket Change"* (written with Texas mainstay Bri Bagwell) was a Top 20 on the *Texas Regional Radio Report*; and celebrating as her most recent single, *"She Made Your Bed,"* topped the *Hotdisc Top 40* chart in Europe for two consecutive weeks.

Currently, **Angel** is scheduling radio tours and performances in support of *"She Made Your Bed"* and looking forward to the first single from **DIAMOND IN A RHINESTONE WORLD**, which will be announced in the coming weeks.
